

JEANNE MARIE KAIROUZ, M.D., F.A.C.C.
NON-INVASIVE CARDIOLOGY

"We are all human. We all experience joys and sorrows. Our lives are subject to our own stresses, whether it be at work or in the home. Each of us has a history beyond the ink on a page, and it is this part of the human condition that makes us unique. What I have found at Prairie Cardiovascular is a dedication to the patient beyond a chart, beyond the illness; there is a commitment to the person."
