

**RAJA C. MADDIPOTI, M.D.**

**CLINICAL CARDIOLOGY, CARDIAC CATHETERIZATION  
& NUCLEAR CARDIOLOGY**

*“One of the essential qualities of a doctor is interest in humanity, for the secret of the care of the patient is in caring for the patient. In my role as a physician, I have found no truer words than these to guide me. My many years of training and experience have prepared me to satisfy the physical needs of my patients, but just as importantly they have taught me to meet their emotional needs as well.”*
